June 2008

What a pleasure and an honor to have David Kustoff speak at the June 8, 2008 Men's Club meeting. Former US Attorney General for the Western District of Tennessee, now back in private practice, David personifies integrity. He is a White Station High School alumnus, attended Memphis State University for his undergraduate degree, and graduated from the Memphis State Law School. His passion for justice is apparent to all who meet him. During his talk, he touched on the anti-terrorism issues, reinforcing the premise that law

enforcement is now proactive versus reactive since the terrorist attack of September 11, 2001. Another hot topic issue was internet child exploitation/pornography. He touched on the effects this crime has on its' young victims. Finally, David touched briefly on public corruption. We, as a country, deserve to know our government and our elected officials are not for sale. We thank David for taking time from his very busy schedule to meet with us.

Join us July 13 when we will have local talk show host Craig Robbins from WREC 600 AM.

Other upcoming speakers include Bob Blackstone, Christian speaker and Karate instructor. We are also excited to announce John Bramlett, former Memphis State University football star turned Christian activist at our October 12 meeting. In November we are taking a break from the usual Sunday morning breakfast meeting and will instead head to Shiloh for an inspiring tour led by our own Reverend Larry Daniel.

A Note from the President

I would like to take this opportunity to thank everyone for all their hard work and help these past six months. I am pleased to announce we have a few new 'worker bees' on our crew. Thanks to Chris Gallagher and Scott Linder for helping out with all the cooking and grillin' and chillin'! Also, thanks to the workhorse mainstays; Jim Bean, John Bumpers, Chuck Mullins, John Kalfayan, and my dad, Don Keeney. Couldn't do it without you guys!
